Races will start at Old Cutters park; registration at 5pm novice race will be at 5:30 (30 minutes), after will be a free kids race at 6:10, followed by the advanced race at 6:40 (40 minutes). Race is free for kids and \$15 per adult. Food and beverage will be available for purchase.

The series of criteriums are being organized by Billy Olson, local business owner and cycle enthusiast, to create more opportunity for Wood River Valley racers to compete as well as train for the annual Crosstober Fest. These races are training races and people are encouraged to come out and try the novice race ! Olson, also founder of Road & Dirt, an organization promoting fun and competitive cycling events in the Wood River Valley, states, "We are adding the crit series to give the locals an opportunity to get some speed work and practice riding in a group before the cyclo cross season starts. Old Cutters was a great place to hold these races with long unobstructed streets and the park. It's all coming together and I'm looking forward seeing people out there."
